BRYAN, TEXAS, JULY 30, 190

If there were cally one fly in Bryan that would be one too many.

The most peculiar thing in Dr. El-tor's new religion is there at nothing new in it.

It is not improbable that in a few years the hos cop of Brazos county will sell for more money than the cotton crop.

Governor Campbell says he has "best the faith." whether this be so or not we are willing to believe that he has "finished his course."

When William J. Bryan comes to Texas to live let's invite him to locate at Bryen and if he declines to do so let's change the name of the city.

The Dallas News will build a replica of the Alamo for the Dallas state fair. The News is to be commended for its liberality, but there is and ever will be but one Alamo.

as yet no evidence that the conditions existing in the Huntsville penitentiar; are diagraceful, as they have been found to be in some of the states, attl there are some things that can be made better.

aumont isn't a bad town atallin fact it is a real good town-but it has a very inappropriate name; it means "beautiful mountain" and there fsn't a mountain-beautiful or otherwise within hundreds of miles.

Two hundred girls in a New York shirtwaist factory have struck because they were not allowed to talk during the lanch hour. Women submit uncomplainingly to necessary privations but a talkfest is one thing they have got to have.

There is a raild and languid cotapetitlets ersong a few towns in the coast country for the experiment station to be located in the rice belt. What a contrast with the flerce and furld fight the in Texas made up into one steer, the western towns are making for the that ox could stand with his alad feet normal to be located in that section. In Canada and his four feet in South

or the Farmers' Congress to appoin a subcommit ee to edil the proceed ings for publication in order to confine them to the discussion of great prob ms affecting the state.

Commending the problem of good oads to the consideration of comme cial and agricultural organizations and urging co-operation of towns and coun ties in securing good roads.

Closing Day.

Todays session closed a most profitble and pleasant session of the Texas Farmers Congress. About seven hundred visitors were in attendance during the session and the advantages of such a meeting can not be question-

Texas Corn Growers Association.

Probably one of the most enthusias tic bodies in the organization is the Texas Corn Growers Association which holds one of the two semi-annial sessions at College during the congress. The other meeting is in the form of a corn show held in January. The show is held in some Texas town decided by the executive committee of the association which meets at the Dallas fair. At this show a beauiful silver loving cup given by the Editor of the Farm and Ranch is presented to the boy or girl under the age of 18 years who exhibits the best ten ears of corn. \$1000 worth of farm implements are given as prizes in the various departments of the corn con-

Mr. F. R. McGinnis of Terreil, secretary of the association stated to bell to call a convention of these in the reporter that the Dallas Fair had greatly increased their prizes for corn exhibits and that \$100 in cash prizes would be awarded. Mr. McGinnis was Commending to the voters of Texas highly pleased with the Brazes county the pending constitutional amend-ments providing for the creation of stated that he saw no reason why county line school districts and for the Brazos county farmers should not cap-Dallas Fair in October

A Delicious and Wholesome Summer Drink

When you are casting about in your mind for "the best beverage" to quench your thirst, refresh you and cool you off, think of

It does all of these things to perfection and has the additional value of being as absolutely wholesome and beneficial at the tea, coffee, milk or cocca you drink every day. While it does not taste at all like coffee it has the

same refreshing qualities, and being a cold drink is a splendid summer between-meals beverage.
